YOUNG COLONY

Dear Deb,

Everything's patent this season. Everybody's saying Holbrooks have the smartest ones in town.

And these patents come with an extra pair of REMOVABLE heel caps that make run-over heels pass!

Don't know whether I like the plain patents best, or the ones with latex gabardine.

I do know soft, fluid patents like these for 6.85 and 7.75 are as rare as roses in February.
