What Cleveland and Ohio Students are Doing in College Circles

Cleveland Woman Gives Laboratory to Mt. Holyoke

biological building nearing completion at Mount Holyoke college, has 121 rooms, laboratories, offices, lecture and photographic rooms, besides stair halls, corridors and coatrooms. Without the museum wing originally planned, it covers an area of nearly a half acre

ers an area of nearly a half acre and has a floor space of 71,927 square feet.

May a student might lose her way in its expanses, but all who come from Cleveland will find in the vast building two spots which, to paraphrase the poet's lines, "are forover Cleveland," the Merriam laboratory for medical zoolegy on the first floor and an office in the psysiological department which is to be housed in the two upper stories. The Merriam laboratory is so named because of a \$2,000 gift made toward its quipment by Mrs. Walter H. Merriam, Cleveland in memory of her husband, he late Dr. Walter H. Merriam, Cleveland in Mrs. Merriam became iterested in Mount Holyoke through liss Amy F. Roland, a Mounty Holyoke umna, now president of the Women's ty Club of Cleveland. Entertainment will include a "blue" song the control of the con tertainment will include a "blue" song by Ethel Rohde and Irish songs by a tenor.

University School.

University School.

The Sherman rhetorical prize is the next scholastic competition to engage the attention of students at University school. Boys are given a choice of exenty or twenty-five subjects to choose from, and turn in their themes before spring vacation, which begins March 21. The orations will be delivered a few weeks later, and prizes awarded. The competition is open to students in the three upper classes. It was established by Mrs. Henry Sherman as a memorial to her son, George Benedict Sherman, a member of the class of 1903. Prizes are \$25, \$15 and \$10, and the name of the winner of the first prize is inscribed on a bronze tablet in the main hall of the school.

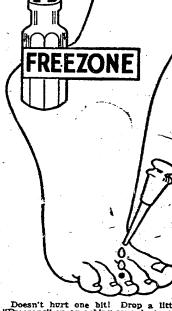

A bird club was formed Monday unde the guidance of Miss Mary Blackford. Lake Erie College.

Clogged Air Passages Open at Once—Nose and Throat Clear

If your nostrils are clogged and your head stuffed because of catarrh or a cold, get Elly's Cream Baim at any drug store. Apply a little of this pure, antiseptic, germ destroying cream into your nostrils and let it penetrate through every air passage of your head and membranea. Instant relief.

How good it feels. Your head is clear. Your nostrils are open. You breather freely. No more hawking or soufling. Head colds and catarrh yield like magic. Don't stay stuffed up, choked up and Don't stay stuffed up, choked up and niserable. Relief is sure.—(Advt.)

Cocoanut Oil Fine For Washing Hair

If you want to keep your hair in good condition, be careful what you wash it Many soaps and prepared shampoos

contain too much free alkali. This dries the scalp, makes the hair brittle, and is very harmful. Mulsified coccanut ofl shampoo (which is pure and entirely gresseless), is much better than any-thing else you can use for shampooing. as this cannot possibly infurs the hair Simply moisten your hair with water and rub it in. Two or three teaspoonfuls will make an abundance of rich creamy lather, and cleanse the hair and scalp thoroughly. The lather rinses out easily, and removes every particle of

dust, dirt, dandruff and excess oil. The hair dries quickly and evenly, and it leaves it fine and silky, bright, fluffy wavy, and easy to manage. You can get Mulsified coccannt oil shampoo at any drug store. It is inexpensive, and a few ounces will last everyone in the family for months.
